## *Day of the Event*

The programme was scheduled to commence at 11 a.m. . A total number of six classrooms were allotted for different events to ensure an organized and timely conduction of the programme. External Judges were invited along with faculty members of the college as internal judges to evaluate the different events. The reception sub-committee took up the responsibility in welcoming the external judges, students from external colleges and faculty members accompanying them and guided them to the room of the relevant event. Faculty members were in-charge of various rooms responsible for handing over evaluation sheets to the judges and registering the participants who were present. They were assisted by student volunteers as allotted and managed by the NSS units of the institution.

Students invitees and the home students performed splendidly competing with each other. Food packets against food coupons were distributed to the participants for lunch as organized by the Refreshment committee. The events came to an end around 3 p.m. While the judges finalized on the scores, the students were directed to make their way to the college main auditorium where the prize distribution ceremony for the winners in various events was to be conducted. The ceremony began around 3.30 p.m. with an addressing speech of the Head of the Institution, Dr. Sima Banerjee. Along with mementos and certificates for the winners of the events, students of each external college were handed over mementos collectively as an honour for joining us in our celebrations. To close the occasion with a grandeur, all the home college faculty members handed over the memento of Hooghly Women's College to the Principal.. The programme ended with as much enthusiasm as it had started.

## *Outcome of the programme*

*The inter-college cultural competition was an initiative to celebrate the completion of seventy-five years of Hooghly Women's College where external colleges graced us with their presence.
